

## San Juan 21 Mid West Championship Regatta

Date: August 23-24, 2025

Location: Ninnescah Sailing Association, Cheney Reservoir, Kansas

Conditions:

Day	Mean temp	High temp	Time	Low temp	Time	Wind Avg	Speed Hi	Time	Dom Dir
23	78.1	83.6	5:35p m	74.0	7:44a m	11	27	3:28a m	S
24	72.1	77.4	7:37p m	66.1	7:43a m	9	19	1:47a m	SW

Six boats participated in the regatta, one from Nebraska, one from Illinois, two from Oklahoma and two from Kansas. The conditions were perfect for racing. The winds were variable which made the races tactical. After registration the first start was postponed while we waited for the storm cell to pass. The starts were very competitive and it soon became obvious which boats were going to receive the trophies. There were 3 races on Saturday followed by happy hour and dinner. Sunday started with breakfast and an early harbor gun. There were two races. During the first we was a big wind shift which resulted in reaches between the windward and leeward marks. The race committee adjusted the course for the last race but again, the wind shifted further to the west.

The overall winner and San Juan 21 Mid West Champion was Jay Sawyer from Nebraska, second was Steve Crandell (NSA), and third Art Capels from Oklahoma.

It was a successful regatta, with ideal conditions, great racing, good sportsmanship and plenty of camaraderie. Everyone had fun.

Thanks to the volunteers;
