

2018 San Juan 21 North American Championship

Coos Bay Yacht Club

Tenmile Lake – Lakeside, Oregon

July 19th, 20th, 21st

Notice Of Race

San Juan 21 Fleet 43 invites all sailors from the San Juan 21 Family to participate in the 2018 Western Nationals, held at CBYC. This event will be the 9th San Juan National Event held at the Coos Bay Yacht Club. The Club has a long tradition of sailing SJ 21's with approximately 20 boats currently owned by members (although not all will be racing in the Regatta). (Limited San Juan 21's are available for Charter)

Coos Bay Yacht Club has ample parking, launching, moorage, camping and some onsite RV's available for rent from individual members. Motels are available in Lakeside (3 Miles), Reedsport (12 Miles) and Coos Bay (14 Miles).

Boats may be left in the water for the duration of the event. The Coos Bay Fleet has a Boatlift and Cradle to accommodate any work on the bottom or centerboard of boat. The Lift and Cradle are available on a first come basis. We will have limited Sailing Supply parts on site for the event.

Races will be governed by *The Racing Rules of Sailing* (2017-20), the prescriptions of US Sailing, and the rules of the SJ21 Class, except as any of these are changed by the sailing instructions. All class regulations are in effect and all safety gear must be on board. (Fleet 43 will not require Anchors or Motors to be on board during this event.)

The Coos Bay Yacht Club and the Race Instructions require Life Jackets must be worn at all times while racing.

Entries: Eligible yachts may be entered by completing the registration. The SJ21 class requires membership seven (7) days "prior" to this event.
(HD/BK 2.4-3 article IV; exception in 2.4-3.)

Classes: All Sails Class
Main, Working Jib, and Spinnaker.

Working Sails Class – Main and Working Jib.

Oregon has an Aquatic Invasive Species Prevention permit requirement. Out of state registered boats are required to purchase this permit for all boats over 10 feet. Fleet 43 encourages members to clean and dry the boat hulls prior to launching in Oregon.

Permits for Motorized boats and additional Non-motorized can be purchased anywhere Oregon fishing licenses are sold. Out of State Non motorized boats are \$5, motorized boats are \$20. A San Juan 21 with a motor mounted is considered a motorized boat. The permits are required to be on board (fine imposed) and are transferable to other boats for future use in 2018.
